Cautionary Statement regarding Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and contingencies, many of which are beyond our control, and may cause actual results to differ significantly from those expressed in any forward-looking statement. Factors that might cause such a difference include, without limitation, the Company's ability to continue to execute its digital transformation and other risks and uncertainties, including those detailed in the Company's Annual Report on Form 10-K for the year ended December 31, 2020, Quarterly Reports on Form 10-Q for the quarters ended March 31, 2021 and June 30, 2021, and its other reports filed from time to time with the U.S. Securities and Exchange Commission. All forward-looking statements reflect the Company's good faith beliefs, assumptions and expectations, but they are not guarantees of future performance. The Company cautions investors not to unduly rely on any forward-looking statements. The forward-looking statements speak only as of the date of this press release. The Company is under no duty to update any of these forward-looking statements after the date of this press release, nor to conform prior statements to actual results or revised expectations, and the Company does not intend to do so.
